

LASER PRINTABLE PLANT TAGS

Our plant tags are manufactured with bright white 6 mil synthetic weatherproof material. We have tested our plant tags with some of the largest nurseries in the nation. These tags are durable, and provide superior laser print qualities while feeding through your printer quickly. Available blank or with planting instructions on one side. Contact us for information on custom printing orders.

PRICES ARE PER 1,000 SHEETS. PACKAGED 1,000 SHEETS PER BOX. PRINTED TAGS HAVE PLANTING INSTRUCTIONS PRINTED ON ONE SIDE. CUSTOM PRINTING AVAILABLE UPON REQUEST.

THERMAL PRINTER AND THERMAL RIBBONS

Thermal Printer

Zebra's 140XIIIPlus is known for its high-performance, mission-critical ruggedness. This hardworking printer is the one to call on for heavy-duty, industrial operations. The 140XIIIPlus offers superior connectivity solutions, including ZebraNet Bridge offering centralized printer and print server management capabilities (such as WebView and ZebraNet Alert) within a single, easy-to-use application. The 140XIIIPlus gets the job done fast, printing at up to 12" per second. With such powerful performance and steel construction, it is the ideal choice for high-volume, mission-critical applications with 24-hour duty cycles. The 140XIIIPlus is also well suited for applications in which labels are required quickly, on demand or in batches.

BENEFITS

- *Handles everything from paper to specialty label/tag stocks*
- *Satisfies high-volume media requirements*
- *Offers fastest print speed available*
- *Offers wide range of connectivity solutions*
